

Homes & Interiors

Welcome to the world of interiors at Lochcarron... style your home in tartan.

From stock...We have cloth available in stock in several weights which are all suitable and tested for upholstery, curtains, soft furnishings, cushions. Complement these with some stocked soft blankets to envelop your interior in luxurious warmth.

Create it... Order cloth from our stocked range to create your own bespoke piece or take the process further and work with us to create your own exclusive tartan or check designs. We have a skilled team of designers who can guide you through the process of developing your own patterns.

Lochcarron of Scotland is based in Selkirk in the heart of the Scottish Borders. We are the world's leading manufactuer of tartan and have been creating our textiles since 1947. Within our mill, we design, dye, warp and weave our fabrics and accessories. Using our textile heritage, skilled craftsmanship and love of contemporary design we capture and create the enduring spirit of Scotland and tartan in our fabrics and accessories.
